## Spring Retreat in Slovakia Tao of Exercises & Tai chi I form 10<sup>th</sup> -14<sup>th</sup> April 2019

In the spring time we have a 4 days intense focus on Tiantien and Iron shirt Chi Kung. The purpose of intensive weekend stays is to work well in a mountain environment, recharge and recharge the battery after the winter. At the same time, improve in the physical exercises of the Iron Shirt, Tiantien chikung and Tai chi inner structure, but also relax in Taoyin and wellness, without the usual daily disturbing influences of work. We will work a lot with the tendons releasing and strengthening them... good for liver.

We will focus on building qi pressure, and packing the organs and fascia, inner layers with qi. The energy of Tiantien abdomen is the foundation of vitality, strength and endurance.

The Retreat is designed for advanced practitioners of system Taoyoga and also beginner students. First part involved with learning precisely step of Tai chi form I & Inner structure in Iron shirt, which is important part of physical exercises, than the chi flow nicely in body. The aim of the Retreat is also to increase the supply of red blood cells enriched with negative ions in a high mountain environment, thereby increasing the magnetic potential of the individual. Also, the goal is to gradually reorient the breathing by Tiantien - embryonic immortal respiration.
